- New aluminium soakers installed to chimney.
- New Leadwork installed to the front and rear chimney in accordance with Lead Sheet Association (LSA).
- New lead valley installed to the rear of the property. 450mm – 600mm C5 lead will be used for the valley. All leadwork installed will be in accordance with Lead Sheet Association (LSA).
- New pots will be added to the chimney at the front as the current “ridge pots” are susceptible to water ingress. “Ridge pots will be removed, new pots installed and capped appropriately and re flaunch the top of the chimney – flaunching will be a 4:1 Sharp sand : cement mix.
- A dry fix bonding gutter will be installed above the party wall to provide a clear separation between your roof and your neighbours roof. To ensure the bonding gutter is correctly installed, it will be necessary carefully to strip back a section of your neighbours roof covering. The affected area will then be professionally reinstated and left fully weatherproof upon completion.

All roofing work will be in accordance with the NFRC and current building regulations.

Total cost excluding VAT

£5,163.00

Scaffolding – Including all weather lid.

An allowance has been made to erect a scaffold around the perimeter of the property at gutter height for roof access. Materials:

Natural 250mm x 500mm slates, natural slate and a halves and ridges:
Accessories (felt, batten, nails, lead, soakers, fascia vents, mortar, bonding trays etc):

Total materials: £5,125.00

Please Note: The above material costs have been calculated based on the current scope of works and the information available at the time of quotation.

Every effort has been made to ensure the materials allowance is as accurate as possible. However, as with any reroofing project, unforeseen requirements may become apparent once the existing roof coverings are removed. Should additional materials or works required due to previously concealed defects, deterioration or site conditions, these will be discussed with the client agreed prior to any additional costs being incurred.

All material prices are subject to supplier availability and pricing at the time of ordering.

Total cost excluding VAT

£5,125.00

Gable chimney removal.

A provisional allowance has been made for a roofing gang to strip and remove the existing chimney below rafters where appropriate so its capped and to install new rafters if necessary, new felt, batten and slate where the chimney once stood.

This cost is for labour only. The required materials are already included within the proposed re roof, so the roof covering will be covered under the re-roof material allowance.

Total cost excluding VAT

£420.00

Gable wall re-build.

A provisional allowance has been made for a bricklaying gang to carefully strip and remove the existing brick apex to the side of the property.

Following discussions with Jack and our review of the surveys and reports provided, we believe the existing wall ties have either deteriorated or were not adequately installed originally, contributing to movement within the gable wall and within the loft space.

The proposed method of repair is to carefully dismantle the affected section, with the intention of salvaging and reusing the existing bricks where suitable, before rebuilding the apex using appropriate wall ties and current construction methods.

It is anticipated that a number of bricks may become loose during the dismantling process due to the existing movement. Once rebuilt correctly, the apex will provide a structurally sound and secure section of wall.

Total cost excluding VAT

£6,861.00

[We may instruct You to take reasonable steps to protect the Property while We are carrying out the Building Services, including but not limited to the removal of valuable and/or delicate items, including valuable and/or delicate furniture, from the areas where We are working. We will not be liable for any damage which occurs as a result of Your failure to follow such instructions.]

7.10 We will ensure that furniture [other than valuable and/or delicate furniture to be removed by You where We instruct You to remove it pursuant to sub-Clause 7.9] and flooring and walls, in the areas where work is to be carried out that are not being worked on as part of the Building Services, are suitably covered and protected for the duration of the carrying out of the Building Services.

We will wherever possible store all tools and materials only in the areas where work is being carried out by Us or remove them from the Property at the end of each working day.

7.15 Before the Building Services are completed, We will work with You to produce a snag list identifying any faults or defects in Our work which we need to put right before completion of the

Building Services. We will not be responsible for any defects which result from the work of third-party contractors over whom We have no control.

We will provide the Roofing Services in accordance with the specification set out in the accepted Quotation and in the Agreement (as may be amended by agreement between You and Us from time to time).

[We may provide sketches, plans, diagrams, or similar documents in advance of carrying out the Roofing Services. Any such material is intended for illustrative purposes only and is not intended to provide an exact specification of the Roofing Services nor to guarantee specific results.]

We will use reasonable endeavours to ensure that the Products We use match those chosen by You and, where applicable, are consistent throughout the Property (or relevant parts of the Property). There may be slight variations to the same Products as a result of differences between photographs, catalogues and other materials, and the Products themselves, or as a result of minor technical changes which will not impact your use of the Product in question. [Product packaging may also vary.] If different Products are required due to non-availability, We will not supply them without consulting with You first, in advance of commencement of the Roofing Services. If You do not wish to accept the alternative Products, You may cancel the Agreement and receive a full refund of all sums paid including, where applicable, the Deposit.

The responsibility (sometimes referred to as the "risk") for the Products remains with Us until they have been delivered to You at which point it will pass to You. You will own the Products once We have received payment in full for them.

We will ensure that the Roofing Services are performed with reasonable care and skill and to a reasonable standard which is consistent with best trade practice.

We will ensure that We comply with all relevant codes of practice that may apply from time to time, voluntary or otherwise.

We will properly dispose of all waste that results from Our provision of the Roofing Services.

We will ensure that no parts of the Property suffer damage as a result of Our provision of the Roofing Services and will at Our expense make good any damage that occurs at no additional expense to You as soon as is reasonably possible. [We may instruct You to take reasonable steps to protect the Property while We are carrying out the Roofing Services including removal of items from the areas where We are working. We will not be liable for any damage which occurs as a result of Your failure to follow such instructions.]

Where the carrying out of the Roofing Services is to last for more than one working day, We will, where reasonably possible, leave the Property in a clean and tidy state and minimise any disruption to Your use and enjoyment of the Property while the Roofing Services are being carried out. We will, wherever possible, store all tools and materials only in areas where work is being carried out by Us or remove them from the Property at the end of each working day.

Faulty Products

If any Products are supplied in the course of Us providing the Building and Roofing Services, and You discover a defect with one or more of those Products or if the Product or Products have been incorrectly described, You should inform Us using the contact details above in Clause 3.

Within the first 30 calendar days after completion of the Building and Roofing Services, You are entitled, at Your option, to a full refund, to keep the Product(s) at a reduced price, or to a repair or replacement.

After those first 30 calendar days, and for the first six months after completion of the Building and Roofing Services, We will, at Our option, repair or replace any defective Products or, if a repair or replacement is not practicable or possible, or if a repair or replacement is unsuccessful, You are entitled to a full refund. Alternatively, You may keep the Product(s) at a reduced price. This right may not apply if We can prove that the defect has been caused deliberately or negligently by You, or as a result of Your failure to follow instructions given by Us or as included with the Product.

After the first six months after completion of the Building and Roofing Services, if any Product develops a fault, You must prove that the Product in question was faulty at the time We supplied it and You took ownership of it. You may be entitled to a repair or replacement, or to a partial refund for up to six years depending upon the nature of the Product and how long it can reasonably be expected to last.

Problems with Our Service

If there is a problem with the result of the Building and Roofing Services, i.e. they have not been provided with reasonable care and skill, You are entitled to ask Us to repeat or fix the Roofing Services, or to get a price reduction if this is not possible.

We always use reasonable efforts to ensure that Our provision of the Building and Roofing Services is trouble-free. If, however, there is a problem with the Building and Roofing Services We request that You inform Us as soon as is reasonably possible. We will use reasonable efforts to remedy problems with the Building and Roofing Services as quickly as is reasonably possible and practical.

We will not charge You for remedying problems under this Clause 9 where the problems have been caused by Us [or where nobody is at fault]. If We determine that a problem has been caused by incorrect or incomplete information or action provided or taken by You, We may charge You for remedial work.

As a Consumer, You have certain legal rights with respect to the purchase of goods or services. For full details of your legal rights and guidance on exercising them, it is recommended that You contact your local Citizens Advice Bureau or Trading Standards Office.

If We do not perform and complete the Building and Roofing Services with reasonable skill and care, You have the right to request repeat performance or, if that is not possible or done within a reasonable time without inconvenience to You, You have the right to a reduction in price.

If the Building and Roofing Services are not performed in line with information that We have provided about them, You also have the right to request repeat performance or, if that is not possible or done within a reasonable time without inconvenience to You (or if Our breach concerns information about Us that does not relate to the performance of the Roofing Services), You have the right to a reduction in price.

If for any reason We are required to repeat the Building and Roofing Services in accordance with Your legal rights, We will not charge You for doing so and We will bear any and all costs of doing so. In cases where a price reduction applies, this may be any sum up to the full fees payable for the Building and Roofing Services and, where You have already made payment(s) to Us, may result in a full or partial refund. Any such refunds will be issued without undue delay (and in any event within 14 calendar days starting on the date on which We agree that You are entitled to the refund) and made via the same payment method originally used by You unless You request an alternative method.

Your Obligations

If any consents, licences, or other permissions are needed from any third parties such as landlords, local authorities, or similar, You must obtain them before We begin to provide the R Building and roofing Services.

10.2 [You must ensure that the areas in which We are to work are kept clear of all moveable items and out of use for the duration of the Building and Roofing Services unless We direct otherwise.]

10.3 You will ensure that We can access the Property at the Agreed Times to provide the Building and Roofing Services.

10.4 You may either give Us a set of keys to the Property or be present at the Agreed Times to give Us access. We promise that all keys will be kept safely and securely by Us. In some cases, the nature of the work will always require You to be present.

10.5 If You do not provide the necessary access to the Property or make it impossible for Us to provide the Building and Roofing Services by failing to comply with any other provision in this Clause 10, and do not have a good reason for this, We may invoice You for any additional charges incurred as a result.

10.6 You must ensure that We have access to electrical outlets and a supply of hot and cold running

water.

We always welcome feedback from Our customers and, while We always use all reasonable endeavours to ensure that Your experience as a customer of Ours is a positive one, We nevertheless want to hear from You if You have any cause for complaint.

Changing the Start Date

If You ask Us to change the Start Date:

We will, where reasonably possible, agree a revised Start Date with You;

If it is not possible to agree a revised Start Date either You or We may terminate the Agreement (see Clause 15).

If We ask You to change the Start Date, You may either:

agree a revised Start Date with Us; or

terminate the Agreement (see Clause 15).

Cancellation of Contract During the Cooling Off Period

Where the Agreement is not made “on Our premises”, You have a statutory right to a “cooling off” period. This period begins once the contract between You and Us is formed and ends:

in relation to any Products supplied, at the end of 14 calendar days after the date on which the Products are delivered. If the Products are delivered in instalments, the 14 calendar day period begins on the day that you receive the final instalment; and

in relation to the Building and Roofing Services, at the end of 14 calendar days after the date on which the contract is formed.

If You wish to cancel the Agreement within the cooling off period, You should inform Us immediately by a clear statement (e.g. a letter sent by post, or email to the postal address, or email address specified in these Terms and Conditions). You may use the Model Cancellation Form, but You do not have to.

To meet the cancellation deadline, it is sufficient for You to send Your communication concerning the exercise of the right to cancel before the cancellation period has expired.

If You exercise this right to cancel, You will receive a full refund of any amount paid to the Us in respect of the contract (including, but not limited to, the Deposit, where applicable).

We will refund money using the same method used to make the payment, unless You have expressly agreed otherwise. In any case, You will not incur any fees as a result of the refund.

We will process the refund due to You as a result of a cancellation without undue delay and, in any case, within the period of 14 calendar days after the day on which We are informed of the cancellation.

If You exercise the right to cancel in relation to Products:

We will issue a refund within 7 calendar days and in any event no later than 14 calendar days after We receive the relevant Products (and will include standard delivery charges if You send the Products to Us);

You must return the Products to Us within 14 calendar days of the day on which You inform Us that You wish to cancel and return them;

We may make a deduction from the refund for loss in value of any Products supplied, if the loss is the result of unnecessary handling by You;

Please also note that Products that become inseparably mixed with others cannot be returned.

If the Start Date falls within the cooling off period, You must make an express request for provision of the Building and Roofing Services to begin within the 14 calendar day cooling off period. [This request forms a normal part of the ordering process.] By making such a request You acknowledge and agree to the following:

If the Building and Roofing Services are completed within the 14 calendar day cooling off period, You will lose the right to cancel once the Roofing Services are completed;

If You cancel the Agreement after provision of the Building and Roofing Services has begun You will be required to pay for the Roofing Services and any Products that cannot be returned to Us supplied up until the point at which You inform Us of Your wish to cancel;

The amount due will be calculated in proportion to the full price of the Building and Roofing Services and the actual Building and Roofing Services already provided. Any sums that have already been paid for the Building and Roofing Services will be refunded, subject to deductions calculated on this basis;

We will process any refund within 7 calendar days and in any event no later than 14 calendar days after You inform Us of Your wish to cancel.

Clause 14 applies to the termination of the Agreement after the 14 calendar day cooling off period has elapsed.

Cancellation Outside of the Cooling Off Period

In addition to Your rights in Clause 13 relating to the cooling off period, the following applies to Your termination of the Agreement after the cooling off period and before the Start Date (if relevant):

If You cancel the Building and Roofing Services after the 14 calendar day cooling off period has expired (or where it does not apply) and more than 7 calendar days before the Start Date, We will refund the Deposit, if applicable, and any other sums paid as soon as is reasonably possible, and in any event within 14 calendar days of cancellation.

We may need to terminate the Agreement before the Start Date due to the unavailability of required personnel or materials, or due to the occurrence of an event outside of Our reasonable control. If such cancellation is necessary, We will inform You as soon as is reasonably possible. We will refund the Deposit, if applicable, and any other sums paid as soon as is reasonably possible, and in any event within 14 calendar days of termination.

Termination

You may terminate the Agreement with immediate effect at any time by giving Us written notice if:

We have breached the Agreement in any material way and have failed to remedy that breach within 30 Days of You asking Us in writing to do so;

We enter into liquidation or have an administrator or receiver appointed over Our assets;

You and We have been unable to agree a revised Start Date or You elect to terminate the Agreement under Clause 12;

We are unable to provide the Building and Roofing Services due to an event outside of Our control (see Clause 17).

We may terminate the Agreement with immediate effect by giving You written notice if:

You fail to make a payment on time as required under Clause 6 (this does not affect Our right to charge interest on overdue sums under sub-Clause 6.8);

You have breached the Agreement in any material way and have failed to remedy that breach within 30 days of Us asking You in writing to do so; or

You and We have been unable to agree a revised Start Date under Clause 12;

You do not provide Us with access to the Property or otherwise make it impossible for Us to provide the Building and Roofing Services, and We have been unable to contact You to re-arrange the Roofing Services under sub-Clause 10.5;

We have been unable to provide the Building and Roofing Services for more than 4 weeks due to an event outside of Our control (see Clause 17).

For the purposes of this Clause 15 a breach of the Agreement will be considered 'material' if it is not minimal or trivial in its consequences to the terminating Party. In deciding whether or not a breach is material, no regard will be had to whether it was caused by any accident, mishap, mistake or misunderstanding.

If at the termination date:

You have made any payment to Us (including, but not limited to, the Deposit, where applicable) for any Building and Roofing Services We have not yet provided, these sums will be refunded to You as soon as is reasonably possible, and in any event within 14 calendar days of the termination notice. We may, however, deduct from such a refund (or charge You) reasonable compensation for the net costs We will incur as a result of your breaking the Agreement if We terminate it under sub-Clauses 15.2.1, 15.2.2, or 15.2.4;

We have provided Building and Roofing Services that You have not yet paid for, the sums due will be deducted from any refund due to You or, if no refund is due, We will invoice You for those sums and You will be required to make payment in accordance with Clause 6.

Effects of Termination

If the Agreement is terminated for any reason:

Any Clauses which, either expressly or by their nature, relate to the period after the expiry or termination of the Agreement will remain in full force and effect.

Termination will not remove or reduce any right to damages or other remedy which either You or We may have in respect of any breach of the Agreement which exist at or before the date of termination.

Events Outside of Our Control (Force Majeure)

We will not be liable for any failure or delay in performing Our obligations under these Terms and Conditions where the failure or delay results from any cause that is beyond Our reasonable control ("Force Majeure"). Such Force Majeure causes include, but are not limited to: power failure, internet service provider failure, strikes, lock-outs or other industrial action by third parties, riots and other civil unrest, fire, explosion, flood, storms, earthquakes, subsidence, acts of terrorism (threatened or actual), acts of war (declared, undeclared, threatened, actual or preparations for war), epidemic, pandemic, or other natural disaster, or any other similar or dissimilar event that is beyond Our reasonable control.

If any Force Majeure event described under this Clause 17 occurs that is likely to adversely affect Our performance of any of Our obligations under these Terms and Conditions:

We will inform You as soon as is reasonably possible;

Our obligations under the Agreement will be suspended and any time limits that We are bound by will be extended accordingly;

We will inform You when the event outside of Our control is over and provide details of any new dates, times or availability of Building and Roofing Services as necessary;

You or We may terminate the Agreement (see Clause 15).

Liability

We will be responsible for any foreseeable loss or damage that You may suffer as a result of Our breach of these Terms and Conditions or as a result of Our negligence. Loss or damage is foreseeable if it is an obvious consequence of the breach or negligence or if it is contemplated by You and Us when the Agreement is entered into. We will not be responsible for any loss or damage that is not foreseeable.

We will maintain suitable and valid insurance including public liability insurance.

We provide Building and Roofing Services for domestic and private purposes only. We make no warranty or representation that the Building and Roofing Services are fit for commercial, business, or industrial purposes of any kind. We will not be liable to You for any loss of profit, loss of business, interruption to business or for any loss of business opportunity.

If We cause any damage to the Property or anything in it, We will make good that damage at no additional cost to You. We are not responsible for any pre-existing faults or damage in or to Your Property that We may discover while providing the Building and Roofing Services.

We are not liable for any loss or damage You suffer which results from Your failure to follow any reasonable instructions given by Us.

Nothing in these Terms and Conditions is intended to or will limit or exclude Our liability for death or personal injury caused by Our negligence or for fraud or fraudulent misrepresentation.

Nothing in these Terms and Conditions is intended to or will limit Your legal rights as a Consumer under any consumer protection legislation. For more details of Your legal rights please refer to Your local Citizens Advice Bureau or Trading Standards Office.

How We Use Your Personal Data (Data Protection)

We will only use Your personal data as set out in Our Privacy Notice version 01 available upon email request.

Other Important Terms

We may from time to time change these Terms and Conditions without giving You notice, but We will use Our reasonable endeavours to inform You as soon as is reasonably possible of any such changes.

We may transfer (assign) Our obligations and rights under the Agreement to a third party (this may happen, for example, if We sell Our business). If this occurs We will inform You in writing. Your rights under the Agreement will not be affected and Our obligations under the Agreement will be transferred to the third party who will remain bound by them.

You may not transfer (assign) Your obligations and rights under the Agreement without Our express written permission (such permission not to be unreasonably withheld).

The Agreement is between You and Us. It is not intended to benefit any other person or third party in any way and no such person or party will be entitled to enforce any provision of the Agreement.

If any provision of the Agreement or these Terms and Conditions is held by any competent authority to be invalid or unenforceable in whole or in part the validity of the other provisions of the Agreement or these Terms and Conditions and the remainder of the provision in question will not be affected.

No failure or delay by Us or You in exercising any rights under the Agreement means that We or You have waived that right, and no waiver by Us or You of a breach of any provision of the Agreement means that We or You will waive any subsequent breach of the same or any other provision.

Regulations and Information

We are required by the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 to ensure that certain information is given or made available to You as a Consumer before We make Our contract with You (i.e. before You have accepted the Quotation and the Agreement has been signed) except where that information is already apparent from the context of the transaction. We have included the information itself either in the Agreement or Quotation for You to see, or We will make it available to You before You accept the Quotation and sign the Agreement. All of that information will, as required by the Regulations, be part of the terms of Our contract with You as a Consumer.

As required by the Regulations:

all of the information described in sub-Clause 21.1; and

any other information which We give to You about the Roofing Services, or about Us or Our business which You take into account when deciding to accept the Quotation and sign the Agreement, or when making any other decision about the Building and Roofing Services,

will be a part of the terms of Our contract with You as a Consumer.

Law and Jurisdiction

These Terms and Conditions, the Agreement, and the relationship between You and Us (whether contractual or otherwise) shall be governed by, and construed in accordance with the law of [England & Wales] [Northern Ireland] [Scotland].

As a consumer, You will benefit from any mandatory provisions of the law in Your country of residence. Nothing in Sub-Clause 22.1 above takes away or reduces Your rights as a consumer to rely on those provisions.

Any dispute, controversy, proceedings or claim between You and Us relating to these Terms and Conditions, the Agreement, or the relationship between You and Us (whether contractual or otherwise) shall be subject to the jurisdiction of the courts of England, Wales, Scotland, or Northern Ireland, as determined by Your residency.
